

**WINE AND SAKE**

酒

Dear guest,

When you indulge into the depths of Mei Ume's menu, you may sense the purity and salinity of the sea, the contrasts of acidity, sweetness and savoury umami.

Our kitchen utilises various ingredients and different styles of cooking so it becomes a challenging task to match just one drink with your meal ahead...

Our sommelier team is going to take on this challenge and share with you their discoveries from the world of wine and sake.

We encourage you to try different drinks as you would with your sharing plates and find your own perfect match or choose just the one wine or sake that will give the best foil for our cooking.

Enjoy your wine,

**Jan Konetzki**  
Director of wine  
Château Latour and Artemis domaines Ambassador

---

Jan Konetzki is responsible for the selection of all wine and sake at Ten Trinity Square. Before he took on the position, he travelled to many shores of the world and worked alongside chefs like Clare Smyth, Jason Atherton and Gordon Ramsay. His wine lists won multiple awards for example the 2015 Sommelier Award from the Imbibe magazine. Jan himself was awarded in 2013 Harpers 'Best Sommelier/front of house' and in 2012 won the prestigious Moet UK Sommelier of the Year competition.

## CHÂTEAU LATOUR

---

Château Latour has built a reputation over the centuries for producing some of the finest wines, not only in France but around the world; matured in French oak barrels and harvested from Cabernet Sauvignon, Merlot, Cabernet Franc and Petit Verdot vines. At Ten Trinity Square, we are proud to offer a selection of wines directly from the cellars of the Château in Pauillac.
